Hanoi, 11th October 2017

2nd ANNOUNCEMENT
WORKSHOP ON ADVANCED RADIATION TECHNOLOGY
(Danang, Vietnam, 23rd November 2017)

1. Venue: Minh Toan Galaxy Hotel, No. 306, 2/9 Road, Hai Chau District, Danang City

2. Host organization

Vietnam Atomic Energy Agency in cooperation with Da Nang Department of Science and Technology and the State Agency for Technology Innovation

This Workshop is under the framework of the series of events related to the Technological Application, Transfer and Innovation in 2017 organized by the Ministry of Science and Technology in collaboration with the People's Committee of Danang City.

3. Objective

To strengthen the exchange of information on the achievements and prospects of the application of advanced radiation technology.

To promote cooperation in research, application, technology transfer, equipment and services business of advanced radiation technology applied in healthcare, industry and customs security, etc.

4. Organizing Committee

Chairman: Dr. HOANG Anh Tuan, Director General of the Vietnam Atomic Energy Agency

Permanent Vice- Chairman: Ms. NGUYEN Thi Thu Trang, Deputy Director General of the Vietnam Atomic Energy Agency

Members:

Mr. NGUYEN Minh Tuan, Head, Department of Medical Equipment and Construction, Ministry of Health

Dr. TRAN Bich Ngoc, Deputy Director General, Vietnam Agency for Radiation and Nuclear Safety

Dr. TRAN Ngoc Toan, Vice President, Vietnam Atomic Energy Institute

Prof. NGUYEN Chan Hung, President, Vietnam Cancer Association

Prof. Dr. MAI Trong Khoa, Deputy Director General, Bach Mai Hospital

Prof. Dr. TRAN Duc Thiep, Institute of Physics, Vietnam Academy of Science and Technology

Prof. Dr. LE Hong Khiem, President, Institute of Physics, Vietnam Academy of Science and Technology

Prof. Dr. LE Ngoc Ha, Head, Department of Nuclear Medicine, Tran Hung Dao Hospital

Scientific Secretary:

Assoc. Prof. Dr. TRAN Dinh Ha, Deputy Director, Center of Nuclear Medicine and Oncology, Bach Mai Hospital

Mr. NGUYEN Huu Quang, Director, Center for Applications of Nuclear Techniques in Industry

Dr. DANG Quang Thieu, Director, Hanoi Irradiation Center

Mr. NGUYEN Trung Hieu, Head, Department of Radioactive Techniques, Hochiminh Oncology Hospital

Administrative Secretary:

Mr. PHAN Van Hung, Head, Administrative Office, Vietnam Atomic Energy Agency

Ms. NGUYEN Thu Giang, Deputy Head, Division of Atomic Energy Information, Vietnam Atomic Energy Agency

5. Participant

- Scientists, experts, managers from research organizations, R&D facilities, enterprises, manufacturers and suppliers of equipment and services of advanced radiation technology.
- Experts from International Atomic Energy Agency (IAEA), research institutions, enterprises from Japan, Korea, and other countries.
- Participants from other organizations, agencies, enterprises and individuals who are interested in research and application of advanced radiation technology for socio-economic development; central and local media and press.

6. Programme

- Reports and presentations of experts, scientists, managers on achievements, development on research, application, training, transfer, equipment and services provision using advanced radiation technology in healthcare, industry, customs security and related fields;
- Discussion on cooperation in research, training, application, technology transfer, services and equipment business of advanced radiation technology.
- Introduction and demonstration on technology and equipment of advanced radiation technology.

7. Proceedings

Fulltexts and reports of the Workshop will be collected to be published.

8. Registration

Registration to participate in the Workshop **before 25 October 2017**.

Abstract and Fulltext should be submitted **before 31 October 2017**.

Registration for exhibition should be submitted **before 25 October 2017**.

9. Financial arrangement

All the expenses (air-ticket, accommodation, daily allowances, etc.) will be borne by the participants. No registration fee is charged to participants.

No exhibition fee is charged to enterprises and organizations who register soon (exhibition booths are limited).

10. Contact points

Ms. LE Minh Hang, International Cooperation Department, Vietnam Atomic Energy Agency

Address: Room 1003, 10th Floor, 113 Tran Duy Hung Street, Cau Giay, Hanoi

Phone: (+84) 24 35560694, (+84) 976881512, Fax: (+84) 24 39412970.
